ATHLETIC THERAPY IS FOR EVERYONE

Best known for treating professional and elite athletes, **CERTIFIED ATHLETIC THERAPISTS** are experts in rapidly rehabilitating injuries sustained by everyone, from kids with concussions, to seniors recovering from hip surgery.

**Athletic Therapists are:**
- Recognized by the letters CAT(C)
- Experts in the prevention and rehabilitation of injuries to your muscles, bones and joints
- Skilled in active rehabilitation that assesses the whole body and treats the cause
- Trained in concussion recognition, management, and safe return-to-play

**Athletic Therapists treat:**
- Common injuries from falls, daily activities and sports
- Chronic and recurring conditions, pre-surgery and post-surgery
- Emergencies at sporting events such as concussion, fractures, and spinal injuries
- Workplace and motor vehicle accidents

**RAPID RETURN TO WORK & PLAY**
