Since 1982, the Canadian Athlete Insurance Program (CAIP) has become well recognized in providing the most comprehensive insurance protection for sport accident and “overuse” injuries to Canada’s athletes at all levels while “In Canada” and “Outside of Canada”.

Explanation of CAIP

Inside Canada provides insurance protection for sport injuries and includes “OVERUSE” coverage, which has been unique to CAIP since the beginning. OVERUSE covers the athletes for chronic type injuries such as tendonitis that happen over a period of time as a result of repetitive activity. The OVERUSE insurance benefit in CAIP is the most popular and sought after insurance benefit amongst Canada’s athletes.

Travel Medical Insurance coverage is 24 hours a day insurance protection for emergency medical and hospital care as the result of an illness or injury. Of course, the CAIP insurance always covers the athletes while participating in their sport. The Travel Assistance Program provides international emergency assistance to CAIP members when travelling outside Canada / Province.

Who is eligible for CAIP?

All athletes, coaches, managers and officials who are members of a sport governing body. A sport governing body can be a National Sport Organization, Provincial Sport Organization, Canadian Sport Center / Institute, Sport Teams, Leagues, Clubs, Schools, Multi-Sport Organization etc.
